English Literature

Saving the Limi (ch 11)

Do the assignment given below in your in your English Literature copy.

Q6.Why was the Limi special?

Ans.The Limi plant is special because of its medicinal properties.

Q7.Why is it important to save plants and trees? What can we do to save trees from dying out?

Ans.It is important to save plants and trees because they give us oxygen that we breath, besides food and medicines.

We can save trees by discouraging people from cutting them down and planting new saplings.
