

Second Semester Assignment STD 2. E.V.S(CH 8)

Answer the following questions

Q1. How can you keep your surroundings clean?

Ans. We can keep our surroundings clean in the following ways-

- a) Do not throw litter on the roads , parks or playground.
- b) Throw the waste in the dustbin.

Q2) Why are blue and green dustbins used for garbage disposal?

Ans. A green bin is used for throwing wet waste like food waste, vegetable and fruit peels, dry leaves, meat and fish bones.

A blue bin is used for throwing dry waste like newspapers, cans , plastic glass and metal.

Q3. What is Swachh Bharat Abhiyan?

Ans. Swachh Bharat Abhiyan is a cleanliness campaign in India initiated by our Prime Minister Shri Narendra Modi to keep our country clean.
