Answer the Following Questions

Q1. Why were the body parts unhappy?

A1. The body parts were unhappy because they thought that the belly lazily eats food, while other members do all the work.

Q2. Which is the most useful body part? Give reasons for your answer.

A2. The belly is the most useful body part because it gives energy to rest of the body.

Q3. Apart from food what other things are important for our body?

A3. Apart from food, air, water, clothes, shelter and sleep are important for our body.
